主旨: 1/12/04 TO: WILLIAM WONG / RE WIRE TRANSFER

1/12/04

Dear William,

Hope all is well with you. Just a brief note to advise that the wire transfer of 25 was rec'd. Thnaks again for you help, I know you know I truley appreciate it no matter what the amount is... I am only sorry that you and John seem so disappointed in me.

I offered to show you all details of my business including what I had already put in and was still continuing to do so. If you remember, you changed your mind and did not want to see anything. Anyway I really don't know what to say at this time....I hv put in nearly 40,000 to date and this figure is growing. I am sorry if to you and john I have not given enough but all things are relative None the less things are as they are and I cannot change them....

Thanks again for your support and help. I will revise your letter later this week to show the new amount.

I have e-mailed John the corrected letter as he would not wire anything with out it. I still have not heard from him. I have been hv'g quite a bit of trouble with my e-mail address so perhaps that is the problem... The last time my server crashed I did not rec e-mails at jambi face for nearly 1 week..

Sincere Regards,
Irene-Luisa
